### On-demand access

We want our delegates to be able to access learning at a time that suits them. All conference content will be available on demand for up to 90 days (6 October 2021). Please note you will have until 7 August 2021 to gain the maximum 6 CPD points. For the remaining days, you can self-accredit as independent learning.

We hope this will allow you the time and space to get the CPD credits on offer.

Please note that any presentations shown at this event have been produced by the individual speakers. As such they are not owned by, and do not necessarily represent the views of, the RCP. Following the event, you will be able to re-watch the presentations (that we have been given access to) on the RCP Player.
