

An Evening of Summer Music

Our virtual event

Wednesday 6 July 2022
7:00pm

Together we will beat cancer

CANCER
RESEARCH
UK

Welcome

I'm Samantha Devlin, Head of Legacies, at Cancer Research UK. It's a pleasure to welcome you, from your homes across the UK and beyond, to join us at our Virtual Evening of Summer Music.

The event is hosted by the Legacy team. Gifts in Wills fund over a third of our research and we know that many of you have made the decision to leave a gift in your Will. If this is something you have done, or are thinking about, then please accept my special thanks.

The work that we do, that you help make possible, means that more people will survive their cancer diagnosis in the future, more people will celebrate more occasions with their families, more people will receive kinder, more effective treatments. However you support us, you are making a difference and we are very grateful.

I hope you enjoy this event which brings together science, song and celebration.

Thank you.

Samantha Devlin
Head of Legacies, Cancer Research UK

Hosting this event virtually has given us the opportunity to bring you music from two fantastic choirs

GeO Gospel Choir

GeO Gospel Choir are a Scottish family run brand, made up of 3 siblings alongside a collection of the UK's most talented vocalists, now bringing their 'new gospel' sound to you!

The focus of GeO Gospel Choirs' work is on luxury events and weddings. However, they are not your typical gospel choir - while they still perform traditional favourites, such as "Oh Happy

Day" and "Joyful, Joyful", they also perform current and contemporary songs with a gospel twist. A few of their favourites include

"Say You'll Be Their" by the Spice Girls, Kygo & Whitney's "Higher Love" and "A Million Dreams" from The Greatest Showman.

Independent Musicians Collective

Independent Musicians Collective are a dynamic and diverse 8-piece vocal collective. Together with their amazing Musical Director & pianist Matt Bain, they perform stunning original arrangements of pop, rock, funk, soul, disco, house and R&B songs, transforming them into dazzling multiphonic arrangements with deep bass lines, vital funky rhythms and stunning soulful lead vocals.

Established in 2017, they have a number of sell-out shows under their belt, including at London's well-known Pizza Express Live, Holborn and

in their residency at the Troubadour, Earls Court. They regularly perform at weddings, celebrations and other private events.

This evening's

Programme

About the event

The Evening of Summer Music is one of science, celebration and song. Hosted by Helen Smith, Senior Legacy Manager and Dr Sam Godfrey, we will bring our science to life sharing the latest information from one of Cancer Research UK's research projects, happening right now at our Manchester Institute.

To celebrate our progress, Terri McClean-Bowman will be sharing the gift of her story.

Throughout the night we will be hearing from our two amazing choirs, sharing with us some fantastic songs:

GeO Gospel Choir will be performing Higher & Higher, Dance with Somebody, Caledonia, Let It Be, My Girl, A Million Dreams and Hallelujah.

Independent Musicians Collective will be entertaining us with Signed Sealed Delivered, Wade in the Water, Ain't No Mountain High Enough, Ain't No Stopping Us Now, Higher Love, You Make Me Feel and Lean on Me.

We hope you enjoy the evening!

Sing along with us

If you want to sing along, we have included the words to two of the songs so you can join in with us.

Ain't No Mountain High Enough

Listen, baby,
Ain't no mountain high
Ain't no valley low,
Ain't no river wide enough,
baby
If you need me, call me,
No matter where you are
No matter how far,
Don't worry, baby
Just call my name, I'll be there
in a hurry
You don't have to worry

'Cause baby, there ain't no
mountain high enough
Ain't no valley low enough,
Ain't no river wide enough
To keep me from getting to
you, baby

Remember the day I set you
free
I told you, you could always
count on me, darling
And from that day on I made a
vow
I'll be there when you want me
some way, some how

'Cause baby, there ain't no
mountain high enough

Ain't no valley low enough,
Ain't no river wide enough
To keep me from getting to
you, baby

Oh no darling,
No wind, no rain
No winters cold can stop me
baby
No, no baby,
'Cause you are my love
If you ever in trouble, I'll be
there on the double
Just send for me, oh baby

My love is alive
Way down in my heart
Although we are miles apart
If you ever need a helping hand
I'll be there on the double just
as fast as I can

Don't you know that there ain't
no mountain high enough
Ain't no valley low enough,
Ain't no river wide enough
To keep me from getting to
you, baby

Don't you know that there
Ain't no mountain high enough
Ain't no valley low enough,
Ain't no river wide enough
Ain't no mountain high enough,
Ain't no valley low enough...

Hallelujah

I heard there was a secret
chord
That David played and it
pleased the Lord
But you don't really care for
music, do you?
Well it goes like this, the
fourth, the fifth
The minor fall and the major
lift
The baffled king composing
Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Your faith was strong but you
needed proof
You saw her bathing on the
roof
Her beauty and the moonlight
overthrew you
She tied you to her kitchen
chair

She broke your throne and
she cut your hair
And from your lips she drew
the Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Maybe there's a God above
But all I've ever learned from
love
Is how to shoot somebody
who outdrew you
It's not a cry that you hear at
night
It's not someone who's seen
the light
It's a cold and it's a broken
Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

How gifts in Wills

make a difference

.....

We do hope that you have enjoyed this event and that it has shown you just how vital gifts in Wills are to our future progress.

Gifts in Wills fund over a third of our work and, without supporters remembering us in this way, we simply would not make the progress we do.

We can't do it alone but, by working together, combining your gift with our expertise we can, and will, beat cancer for future generations.

If you have already left a gift in your Will then please accept our

sincere thanks. If it is something you had perhaps not yet considered then we hope this event may inspire you to do so. Leaving a gift to charity is not for everyone and, of course, deciding which people and causes you include in your Will is a personal choice.

However you choose to help, you play a part in the progress we make.

If you would like further information on any aspect of our work, then please do get in touch using our feedback form.

Meet your local

Legacy Relationship Manager

.....

We are a community based team covering the United Kingdom. Our Legacy Relationship Managers are able to answer any questions you may have about gifts in Wills. They travel around their regions, meeting Cancer Research UK supporters, giving talks about our ground-breaking progress and hosting fantastic events.

Our Inspire events provide an amazing opportunity for people considering leaving a gift in their Will, to meet our science teams and see some of our incredible research advances first hand. If you would like to come to one of our events or are interested in finding out more about legacy gifts, we would be delighted to hear from you.

.....

You can find your local Legacy Relationship Manager at cruk.org/contact-your-clm

If you are a Legal Professional, and want to know more about what we are doing in your area then you can find your local Legacy Partnerships Manager at cruk.org/legal-hub
